

**SKID-MATE®** Cushions are air-dampened cushioning devices which can be easily mounted on a pallet base in place of wood skid runners. These reusable cushions give maximum cushioning and dampening performance with a minimum of size and weight.

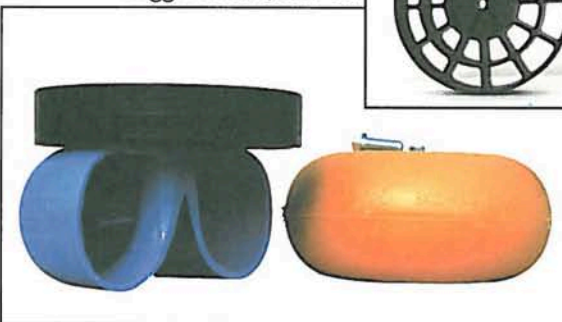

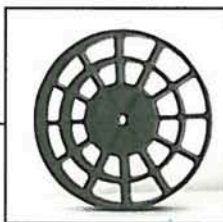

This is the pallet cushioning system to protect your valuable assets in critical situations.

- Tan #35-630-035T  
20-35 lbs.; load range/pad  
Sugg. Retail
- Green #35-630-050T  
30-50 lbs.; load range/pad  
Sugg. Retail
- Yellow #35-630-080T  
45-80 lbs.; load range/pad  
Sugg. Retail
- Blue #35-630-125T  
70-125 lbs.; load range/pad  
Sugg. Retail
- Orange #35-630-225T  
125-225 lbs.; load range/pad

Spacer-disk #2-020-00509  
Sugg. Retail \$0.69ea.

- SKID-MATE® and SKID-MATE+PLUS™ are easy to mount to a pallet base using a carriage bolt or hex head bolt.
- See our technical flyer for attachment methods and performance data or visit [www.hardigg.com](http://www.hardigg.com)

### Skid-Mate Basic Tech Specs ...

- **Durability-** Skid-Mates at maximum load endure sliding over 3000 feet (914 meters) of concrete floor.
  - **Shock Protection-** Correctly loaded cushions transmit 15Gs shock when dropped from 24 inches (610mm) (rotational drop).
  - **High/Low Temperature Storage-** Cushions are suitable for storage at -40°F to +130°F (-40°C to +54°C)
  - **Chemical and Solvent Resistance-** Cushions are made of polyethylene, a chemically inert material.
  - **Recyclable-** An environmentally friendly solution to your applications.
- \* More technical information is available on the web at [www.hardigg.com](http://www.hardigg.com)

Minimum purchase for the SKID-MATE® Cushion and SKID-MATE+PLUS™ spacers are Master Packs containing 96 pieces/carton. Average carton weight approx. 37 lbs. Ships UPS.

SKID-MATE® and SKID-MATE+PLUS™ are registered trademarks of Hardigg Industries, Inc.

**SKID-MATE+PLUS™** is a SKID-MATE® cushion, plus a rugged polyethylene 1-1/8" thick spacer-disk. The addition of the spacer to the SKID-MATE® makes the 4" height of the SKID-MATE+PLUS™ capable of accepting most pallet jacks world wide.
